

# Health and Safety Policy

Viadux is an energetic and safe place to work, where everyone is equal, all ideas are valuable and we work together to get the job done for our customers.

This commitment extends to insuring that our operations do not expose the local community to any risk of injury, illness or damage to property or environment.

**Viadux will:**

- *Comply with AS/NZS 4801 and applicable legislative obligations and other requirements, to ensure that the workplace is safe and without risk to health. In the absence of specific legislation, the highest professional standards will be maintained*
- *Set measurable targets and objectives to ensure continual improvement and preventing of work related injury and illness*
- *Ensure that all staff and other persons within its premises are aware of this policy*
- *Promote ongoing education and training programs to encourage all staff to integrating safety into their work areas and roles*
- *Consult and communicate with employees, suppliers and contractors in matters relating to workplace safety*
- *Identify hazards, assess risk and initiate risk control measures*
- *Provide safe workplace and adequate resources to ensure the health and safety of employees, suppliers, contractors and those around us*
- *Provide appropriate supervision and regular review and evaluation of the performance of its safety management system*

All persons shall co-operate to ensure knowledge and implementation of Work Health & Safety principles.

This policy will apply to all employees and contractors.

This policy is reviewed periodically to ensure it remains relevant to the operations and activities of Viadux.
